

# eLearning Innovations...

## SIP

**Listen to the instructor like you would in class...it's the next best thing to being there!**

**Slide narration by the expert instructor**

**Q&A e-mail support**

**Training Industry Milestone:** Oyat introduces the first generic 10 hour eLearning SIP course that present the subject matter from basic to intermediary/advanced level in 10 modules of graphically animated and voice narrated shows plus 4 videos.
